"Celebrating Diversity"

On behalf of the Council, staff and residents of the Town of Essex, it gives me great pleasure to welcome the players, coaches, fans and volunteers to the 2009 edition of HOCKtoberfest at our new Essex Centre Sports Complex.

We are thrilled to have this event expand into our facility and for the opportunity to demonstrate what a friendly and caring community we are. Our residents will be sure to enjoy the opportunity to view the skills, talent, dedication and camaraderie of participants from across North America and abroad.

Congratulations to the organizers of this incredible event. We know the work involved in hosting such a large and successful tournament. Our thanks for your dedication.

We wish all participants the best of luck, not just on the ice, but off the ice as well, as you renew past friendships and form new ones.

Sincerely,
